Brief summary (3-4 sentences) of what was accomplished during this time.	In the week previous, I created a new file to improve readability for the user interface by file. However, I failed to properly upload and	Added a new frame, "Tracked Titles" under the Search Features Frame. In the frame, the user will be able to see all of their logged titles.	Prior to the review meeting, I implemented my requirement "Tracked Title" file to put the user selected title's name and release year.
