Brief summary (3-4 sentences) of what was accomplished during this time.	I read over the slides to understand what was meant to go into each of the boxes. After reading the slides and general online research, I began filling out the required table for the Search Component Specification section. I finished a rough draft of each category in table template for the Search component.	I followed the formatting from the Search component while filling out the Sort Component Specification section. I finished a rough draft of each category given in the template table provided for the Sort component.	I updated my teammates on each component specification I completed over. Finally, I revised each section of work done previously before officially including them onto the SDS documentation.
