

Items	Update
Date on which you worked on the project.	1/29/26
Number of hours spent on that day.	0.5
Type of component, implementation or document.	SRS document
Which specific part did you work with, e.g. requirement number or section of a document. (Mention multiple if necessary)	3.4 Non-functional Requirements
Brief summary (3-4 sentences) of what was accomplished during this time.	I transitioned my contributions from the success measurements section in the Project Charter into the 3.4 Non-functional requirements section of the SRS. This included various qualities of software including performance, usability, functional, and scalability. After discussion with team, some categories are unnecessary to this portion of the document. Additionally, more information is needed in other categories of this section.
Total number of hours worked during the week.	0.5
