

## Weekly Log

| Date  | Time Spent: (hr) | Type: Component, Implementation, or Document | Specific Part:                     |
|-------|------------------|----------------------------------------------|------------------------------------|
| 3-Feb |                  |                                              |                                    |
| 4-Feb | 1                | SRS                                          | Section 1: Scope                   |
| 5-Feb |                  |                                              |                                    |
| 6-Feb | 1                | SRS                                          | Section 1: Finalization<br>1.1-1.4 |
| 9-Feb | 2                | SRS                                          | Section 2<br>Use Cases             |

**Total Number of Hours:**

4

### Summary of Completion:

1. Created a list of 10 user stories for use cases
2. Wrote and finalized sections 1.1-1.4
3. Parsed through sections 2 and 3 for easier read and explanation. Wrote more clarifying information based on SRS research and class explanations.
4. Drafted all sections of Section 2
5. Worked on Use Cases and functional requirements
